Attachments: Documentation of Ohio EPA review of Gorge Dam Preliminary Design.docx

Hi All – as referenced on the call earlier, attached is a summary of the conference call with Bill Z. regarding some critical design assumptions. Feel free to edit the document based on your notes or if there is anything else that we want to have documentation on from the State or any other action items for them. Let's shoot to get edits done by next Tuesday so we can discuss on our check-in call, if needed.

Thanks,
-MB
